Wrong

The Feeling

We make excuses every day
Yeah we say all kinds of stuff
Like "hey don't we all make mistakes
But we make them out of love"

It's simple when it's said
Are you gonna let this bullshit stink forever
You know the difference between right and wrong

Wrong
I know that you know that I know that you know it's wrong
Wrong
I know that you know that I know that you know it's wrong

They're coming for us baby
They've got us in their sights
They're the righteous generation
And they've got us banged to rights

It's simple when it's said
They ain't gonna let this bullshit stand forever
'Cause they know the difference between right and wrong

Wrong
I know that you know that I know that you know it's wrong
Wrong
Yes I know that you know that I know that you know it's wrong

Wrong, wrong
Yes I know that you know that I know that you know it's wrong
Wrong
I know that you know that I know that you know it's wrong
Wrong
I know that you know that I know that you know it's wrong
Wrong
I know that you know that I know that you know it's wrong
