

Been All Around This World

The Felice Brothers

Goin up on the mountain where I'll make my stand
Goin up on the mountain where I'll make my stand
Rifle on my shoulder six shooter in my hand
Lord, I been all around this world

Hang me Oh Hang me I'll be dead and gone
Hang me Oh Hang me I'll be dead and gone
Lord ain't the hanging just a-waitin in the jail so long
Lord I've been all around this world

If you see a rich girl send her down the line
If you see a rich girl send her down the line
If you see a poor one tell her she's a friend a friend of mine
Been all around this world, Lord
Been all around this world

Mama and papa and baby sister makes three
Mama and papa and baby sister make three
Going down to the gallows that's the last they'll see of me
I've been all around this world, boys
Been all around this world
