

All The Kings Horses

The Firm

They say our love was
Never meant to be
That time would make it
Just a memory

But they don't know
How can they understand
We didn't build no
Castles in the sand

And all the king's horses
All the king's men
Couldn't storm this tower
Of love, my friend
Of love, my friend

They say our life was
Just a fairy tale
No matter how we try
We must surely fail

But where are they now
And could they ever understand
This ivory tower was built
On rock, not sand

And all the king's horses, baby
All the king's men
Couldn't storm this tower
Of love, my friend
Of love, my friend

All the king's horses
And all the king's men
Couldn't storm this tower
Of love, my friend, yeah

All the king's horses
Yeah yeah
All the king's men
Couldn't storm this tower
Of love, my friend

All, all, all the king's horses
All, all, all the king's men
Yeah yeah yeah
Of love, my friend
