

## The Time

## The Five Satins

The time  
Seems to pass so slowly  
Makes my heart be so lonely  
Ever since you been gone

My days  
All seem like years  
All my dreams disappeared  
You've been gone so long

My dear (My dear)  
You know (You know)  
That I (That I)  
Love you so (Love you so)  
Love you so (Love you so)  
And I'll never (And I'll never)  
Let you go (Never let you go, go)

Come back  
Let us stay here forever  
Say you'll leave me never  
Love me all of the time

My heart (My heart)  
My soul (My soul)  
Is a fire (Is a fire)  
Oh yeah (Is a fire)  
I need (I need)  
Somebody (Somebody)  
To care (Need somebody to care)

The time
