

## A Million to One

## The Five Stairsteps

A million to one

That's what our folks think

About this love of ours

A million to one

They say that our love will

Fade like yesterday's flowers

They're betting everything

That our love won't survive

They're hoping in time

We'll forget each other's life

A million to one

They feel we're too young

To know the meaning of love

A million to one

That they've forgotten the

Dreams we're dreaming of

But we'll forgive them

Because we love them

After all is said and done

They're one in a million

A million to one

But we'll forgive them

Because we love them

After all is said and done

They're one in a million
