

# Life's What's Killing Me

The Fixx

La, la, la, la, life  
Whoa, oh, oh  
La, la, la, la, life  
La, la, la, la, life  
Whoa, oh, oh  
La, la, la, la, life

Ooh, sweet, sweet, sweet, sweet, sweet  
It's so bittersweet  
I cry, I cry, I cry  
The secrets I keep  
Red, red, red, red, red  
All the headlines are blue  
Are they true?  
There is lies, lies, lies, lies, lies  
Down from who?

It's a parody  
TV's controlling me  
I'm in pain, I'm in pain  
I feel fake, you see

Yeah  
'Cause it's a-life, it's a-life, it's a-life that's killing me  
(La, la, la, la, life, whoa, oh, oh)  
(La, la, la, la, life)  
Yeah, it's a-life, it's a-life, it's a-life that's killing me  
(La, la, la, la, life, whoa, oh, oh)  
(La, la, la, la, life)

Run, run, run, run, run  
On the spot, I can't hide  
I'm not going anywhere yet  
Come, come, come, come, come  
To my senses in time

You know I burn, burn, burn, burn, burn  
A candle for hope  
I can't cope at all  
Fire, fire, fire, fire  
It goes up in smoke

There is irony  
To my destiny  
Won't you suck and see?  
What's real, it seems fake to me

Yeah  
'Cause it's a-life, it's a-life, it's a-life that's killing me  
(La, la, la, la, life, whoa, oh, oh)  
(La, la, la, la, life)  
Yeah, it's a-life, it's a-life, it's a-life in front of me  
(La, la, la, la, life, whoa, oh, oh)  
(La, la, la, la, life)  
Yeah

Ooh, whatcha got?

Yeah, whatcha got?  
Ooh, give it to me anyway  
Give it to me anyway  
Take it or leave it

To my destiny  
I would say one thing  
Yeah, one thing  
Give it to me straight  
Give it to me anyway

'Cause it's a-life, it's a-life, it's a-life that's killing me  
(La, la, la, la, life, whoa, oh, oh)  
(La, la, la, la, life)  
Oh, it's a-life, it's a-life, it's a-life that's killing me  
(La, la, la, la, life, whoa, oh, oh)  
(La, la, la, la, life)  
Oh, yes it is, yeah  
It's a-life, it's a-life, it's a-life that's killing me  
Give it to me straight now  
It's a-life, it's a-life, it's a-life that's killing me  
(La, la, la, la, life, whoa, oh, oh)  
(La, la, la, la, life)

Oh, the way I see it  
(La, la, la, la, life, whoa, oh, oh)  
The way I want it  
(La, la, la, la, life)  
The way I picture it  
The way I take it  
Give it to me anyway  
Give it to me anyway  
I'll take what you got  
I'll take what you got  
Give it to me anyway  
Give it to me anyway  
(La, la, la, la, life, whoa, oh, oh)  
Whoo, I'll take what you got  
(La, la, la, la, life, whoa, oh, oh)
