## **Outside**

## The Fixx

Outside, I stretch the mind that hides within New pride, I lose four walls that keep me tied

Outside, I breathe new air that reaches me Fresh tide, does all the cleansing life can give

Tongue-tied, no words will match this point of view Chastise, I don't belong as no one owns

Washing, flowing, taking, all my fears away Rushing, blowing, touching, gives all life a grace Washing, flowing, taking, all my fears away outside

Outside, I stretch the mind that hides within New pride, I lose four walls that keep me tied

Washing, flowing, taking, all these fears away Rushing, blowing, touching, gives my life a grace Washing, flowing, taking, all these fears away outside
