

# As Time Goes By

The Flamingos

You must remember this:  
A kiss is still a kiss  
A sigh is just a sigh  
The fundamental  
Things apply  
As time goes by (as time goes by)  
(As time goes by)

And when two lovers woo  
They still say "I love you"  
On that, you can rely  
No matter what  
The future brings  
As time goes by (as time goes by)

Moonlight and love songs  
Never out of date  
Hearts full of passion  
Jealousy and hate  
Woman needs man  
And man must have his maid  
That, no one can deny

It's still the same old story  
A fight for love and glory  
A case of do or die  
The world will always welcome lovers  
As time goes by  
As time goes  
By (goes by)  
(Goes by)  
(Goes by)
