

## At Night

## The Flamingos

(Dreaming of you ooh-hoo-hoo-hoo)  
(Dreaming of you ooh-hoo-hoo-hoo)  
I dream of you  
My heart wonders all the day  
But I, I miss you most of all  
At night (at night)

Sweetheart (sweetheart)  
When darkness falls  
And I walk around the street  
I gaze at every girl I meet  
Hoping it's you (hoping it's you)

I know, I know I'll go there  
Darling if I go  
See you soon  
My heart  
Beats for you  
All I do is gaze, gaze at the moon

I know well, well we'll meet  
And I will never leave your side  
We'll do things we used to do  
At night  
(Dreaming of you)  
(Dreaming of you)  
(Dreaming of you)  
(Dreaming of you)  
(Ooh)
