

Listen To My Plea

The Flamingos

Well I need you, baby
Baby, and I'm down on my bended knees
So won't you please please please please
Listen to my plea

Yes I just got married, baby
And have mercy on me
So won't you please please please please
Listen to my plea

You know my love runs deeper
Deeper than any sea
We all make mistakes
So won't you please forgive poor me

Well I just got married baby
And I'm sure you know what I mean
So won't you please please please please
Listen to my plea

You know my love runs deeper
Deeper than any sea
We all make mistakes
So won't you please forgive poor me

Well I just got married baby
And I'm sure you know what I mean
So won't you pleeeeease
Listen to my plea
Please please please
Please please please
Please please please
Listen to my plea
Please please please
