

## Mio Amore

The Flamingos

Mio amore  
Take my lips and a kiss them  
Take my love  
Take my hands and hold them  
I am yours my love  
Till the end of time

Mio amore  
Take my arms let them hold you  
Take my love  
Take my eyes let them show you  
I am yours my love  
Till the end of time

Whoo... till the end, till the end  
Till the end, till the end of time  
Oh my love, oh my love, can't you see?  
Woo, our love was meant to be  
Oh my love, oh my love  
You were meant for me

Mio amore  
Take my heart and my soul  
Take my love  
Our love will never run cold  
I am yours my love, till the end of time

Whoo... till the end  
Till the end of time, of time
