

Music Maestro Please

The Flamingos

Tonight
I mustn't think of her
Music, maestro, please

Tonight
Tonight I must forget
How much I need her
So Mister leader

Play
Your [?] melodies
Ragtime, jazztime, swing

Any old thing
To help me ease the pain
That solitude
Solitude can bring

She used to like waltzes
So please don't play a waltz
She danced divinely
And I love her so
But there I go

Tonight I mustn't think of her
No more memories
Swing out
Tonight I must forget
