

When I Fall In Love

The Flamingos

Maybe I'm old-fashioned
Feeling as I do
Maybe I am living
In the past
But when I meet the right girl
I know I will be true
My first love will be my last

When I fall in love
It will be forever and ever and ever and ever and ooh
For I'll never fall in love

In a restless world like this is
Love has ended before it's begun
And too many more like kisses
Seems to cool in the warmth of the sun
When I give my heart (give my heart)
It will be completely (completely)
For I'll never never give my heart

And the moment
I can feel that
You feel that way too
Is when I fall in love with you
(When I fall in love)
