

You Ain't Ready

The Flamingos

Some is, some ain't
Some can and some can't
Well you can't, cuz you ain't
Just ain't ready

Some do, some don't
Some will and some won't
Well you won't and you don't
Just ain't ready

I dress you like a queen
Try to make a lady out of you
I took you on up the country
But I just couldn't take the country out of you

Some should, some would
Some could, replay could
Well you can't, cuz you ain't
Just ain't ready

(You ain't ready, you ain't ready)
(You ain't ready, you ain't ready)
(No no no you're not that ready)

I dress you like a queen
Try to make a lady out of you
I took you on up the country
But I just couldn't take the country out of you

Some should, some would
Some would, replay could
Well you can't, cuz you ain't
Just ain't ready

(You ain't ready, you ain't ready)
(You ain't ready, you ain't ready)
(No no no you're just not ready)
