

Another nights out of sight  
Another drink what is he thinking?  
We all need to get a grip but not him don't let him slip  
Unmarked can in his hand, he opens it and doesn't understand  
It's on the floor, head over the toilet  
He can't see anymore  
"all I need in this world is my good friend alcoholic"  
He says as he's pressing the buttons on his keyboard  
Another message left to make everyone laugh and tomorrow it all  
happens again  
sitting in his basement he drinks a pint  
Now it's time  
Outraged and uncontrolled he goes out and gets some more  
He says that he doesn't have a drinking problem  
While he's drinking down his own 2-4  
He's passed out, he hit the floor  
always adding his 2 cents, but it's okay because it helps  
Always drunk as a skunk in the basement by himself  
Closet alcoholic, 40 oz Jim beam then vomit  
Aim for the toilet his head will be hurting in the morning  
He's on a drunken rampage smashing bottles in his way  
I'll tell you don't get in his way today  
He brings out the drunk in you  
He'll tell you to, he's boozed and bruised
