

Lonely Is As Lonely Does

The Fleetwoods

Though he loved you and then he told you goodbye
Well, that's no reason for you to sit and cry

For as your tears fall, remember this
You're just a kiss away from happiness
Lonely is as lonely does
So if you come with me

I'll take you places
You'll see new faces around (lonely is as lonely does)
You'll feel so good
You'll forget that he put you down (lonely is as lonely does)

For as your tears fall, remember this
You're just a kiss away from happiness
Lonely is as lonely does
So if you come with me

We'll then you'll see
My darling I've (I've) been (been) waiting so long for you
And (and) my (my) love is so strong for you
Let me be the one
To make you smile again (let me be the one)
To make you understand
To make you smile again (lonely is as lonely does)

You gotta do something (lonely is as lonely does)
So why not do that something with me (lonely is as lonely does)
You gotta do something (lonely is as lonely does)
So why not do that something with me (lonely is as lonely does)
Me... (lonely is as lonely does...)
