

Fire In the Pit

The Flys

The world's gone mad

Competition's gettin' crazier
Maybe the old school's getting lazier
It's a mad mad world for all of us
Trying to make a bone just selling our songs
All of us today here
Trying to find our way here
Walking in the fast lane
Somebody get me off this train
Somebody get me off this train
Somebody get me off this train
Man the whole damn world is going insane

It's a fire in the pit
A fire in the pit
A fire in the pit
Say the motherfuckers crazy
It's a fire in the pit
A fire in the pit
A fire in the pit
Say the world's gone mad
It's a fire in the pit
A fire in the pit
A fire in the pit
Ho-Hollywood
It's a fire in the pit
A fire in the pit
A fire in the pit
Say you're all gone mad

Said the world's gone crazy

It's a dog eat dog eat dog eat dog world
Trying to reach some lil' girls
Moving from the backstage
The Flys are out here center stage
Representing here a new school
Surfin' round you old fools
Vocalizing like the Beach Boys
Coming here to make some noise

It's a fire in the pit
A fire in the pit
A fire in the pit
Say the motherfuckers crazy
It's a fire in the pit
A fire in the pit
A fire in the pit
Say the world's gone mad
It's a fire in the pit
A fire in the pit
A fire in the pit
Ho-Hollywood
It's a fire in the pit
A fire in the pit
A fire in the pit

Say you're all gone mad

It's a fire in the pit
A fire in the pit
A fire in the pit

It's a fire in the pit
A fire in the pit
A fire in the pit
Say the motherfuckers crazy
It's a fire in the pit
A fire in the pit
A fire in the pit
Say the world's gone mad
It's a fire in the pit
A fire in the pit
A fire in the pit
Ho-Hollywood
