

## Angry Anthem

### The Forces of Evil

If I had my way, I'd never speak to anyone again  
I gotta say, I hate people I'm so sick of them  
I just can't stand the bullshit I wish I was so far away from it  
I'm just stupid and I'm angry is it immature for me to say

Fuck all you Motherfuckers  
Fuck all you Motherfuckers  
Fuck all you Motherfuckers  
Fuck YOU!

I feel so lame, 'cause that's the best I can do to express myself  
It's always the same, say the "F" word maybe that'll help  
I'm so sick of trying to fit in, I don't even know where to begin  
I got friends but they don't know me, but I'd tell the world to  
blow me

And there's just one more thing that, I have just got to sing you  
a  
Everyone and everything FUCK YOU!
