

I've Just Seen A Face

The Forester Sisters

I've just seen a face
I can't forget the time or place where we just met
He's just the boy for me
And I want all the world to see we've met
Li-li-li-lilili

Had it been another day
I might have looked the other way
But I have never been aware
As it is, I'll dream of him tonight
Li-li-li-lilili

Falling, yes, I am falling
And he keeps callin'
Me back again

I have never known the like of this
I've been alone and I have missed things
And kept out of sight
But other guys were never quite like this
Li-li-li-lilili

Falling, yes, I am falling
And he keeps callin'
Me back again

Falling, yes, I am falling
And he keeps callin'
Me back again

I've just seen a face
I can't forget the time or place where we just met
He's just the boy for me
And I want all the world to see we've met
Li-li-li-lilili

Falling, yes, I am falling
And he keeps callin'
Me back again

Falling, yes, I am falling
And he keeps callin'
Me back again

Oh, falling, yes, I am falling
And he keeps callin'
Me back again
