

# Holy Roller

## The Format

I'd fake my death  
If it weren't such a mess  
For the people I love  
Or assume won't forget me  
But I'm staying alive  
Just to see you roll your eyes  
And sigh

If you got nothing to prove  
Then tell me why would you do this?

Holy Roller  
Don't go wasting all your time  
Praying for a sign  
I'm burning out faster than a candle in the night  
I'll be gone before sunrise

Tell me again how you lost all your friends  
Tell me when did it start  
And when will it end  
Cause I see no wrong if you were to tag along  
Ahh-ahh-ha

But don't bother fixing your hair (Holy Roller)  
If you've got nothing to wear

Holy Roller  
Don't go wasting all your time  
Praying for a sign  
I'm burning out faster than a candle in the night  
I'll be gone before sunrise

Sing na-na-na-na  
Sing na-na-na-na-na-na-na-na  
Na-na-na-na-na-na

Holy Roller  
Don't go wasting all your time  
Praying for a sign

There is a debt that I never thought applied to me  
Till I got to your bed  
And now I'm atop all of the sheets  
Crawling on my knees  
Choking on the air that you breathe  
Ohh-oh Ohh

Come on Holy Roller  
Let me out the corner  
Make me think that I'm in control  
I thought you was a kitten  
Till you started hissing  
Scratching at me like I'm a post  
If I let your daughter  
Push me underwater  
Can I fall asleep with the ghost?  
If I let your daughter

Turn me to a martyr  
Is Jesus gonna save my soul?  
Oh oh oh

Holy Roller  
Don't go wasting all your time  
Praying for a sign  
I'm burning out faster than a candle in the night  
I'll be gone before sunrise
