

Any Old Time (You're Lonely and Sad)

The Foundations

Anybody can see
Lovin him is all, your hearts set on
But be it from me
You'd find, a love
That started wrong
If there's ever a day-
You feel your love slip away-

Any old time baby that you're feelin' down
Just you hold tight baby, I'll be around
I won't break your heart
Or even try to take your heart
If you're feelin bad
Any old time you're lonely and sad

Any old time baby that you're feelin' down
Just you hold tight baby and I'll be around
I won't break your heart
Or even try to take your heart
If you're feelin bad
Any old time you're lonely and sad

Your better off lovin' him, he can give
You more than I ever can
But be it from me, you'd find
A love, that started wrong
If there's ever a day-
You feel your love slip away-

Any old time baby that you're feelin' down
Just you hold tight baby and I'll be around
I won't break your heart
Or even try to take your heart
If you're feelin bad
Any old time you're lonely and sad

Any old time baby that you're feelin' down
Just you hold tight baby and I'll be around
I won't break your heart
Or even try to take your heart
If you're feelin bad
Any old time you're lonely and sad

Any old time baby that you're feelin' down
Just you hold tight baby and I'll be around
I won't break your heart
Or even try to take your heart
If you're feelin bad
Any old time you're lonely and sad

Any old time baby that you're feelin' down
Just you hold tight baby and I'll be around
I won't break your heart
Or even try to take your heart
If you're feelin bad
Any old time you're lonely and sad

Any old time baby that you're feelin' down
Break the heart...
