

Finally

The Frames

Hmi D
Did you fall on your way
G F#mi
it's a long way down
Hmi D
welcome back to your place
G F#mi
I hope you know it now
Hmi D
'cause it's true what you say
G F#mi
were the wrong way round...

Emi A
And the lie that cut the worst
Emi A
has been resolved, then reversed...

G F#mi G
...finally, finally, finally, finally, finally

Ah come on, show the way
where you are running now
is it lack of restraint
has you turning round...

In the end, we're both the same
you played your part, so your part to blame

Hmi
When you want something so much
G F#mi
it's drawing trouble on your life
Hmi
and when you found something so good
G F#mi
it's hard to focus on what's right...

Hmi D G F#mi
(2x)

And in the end what hurt the worst
has been resolved, then reversed
and I know it's not what you said
it's like the letter I just sat and read

...finally... (12x)

...you found something so good
it's drawing trouble in your life
and when you lost something so good
it's hard to focus on what's right

G F#mi G G

I love it so far... (6x)
