I can't explain where the blood goes
E D
I can't explain cause I don't know
A D
It finds a way

The wise, they talk of honesty
While the boats, they keep pointing
Always set for sea
A fool's escape

There's a note, I found
Reminding me, not to wait
That you'd come and look for me
And not to wait

I can't explain where the love goes
I can't explain cause I don't know
It finds a way

A D
Ohhhh, ooooh, ooooh
