

## All at Once

The Fray

There are certain people you just keep coming back to  
She is right in front of you  
You begin to wonder could you find a better one  
Compared to her now she's in question

And all at once the crowd begins to sing  
Sometimes the hardest thing and the right thing are the same

Maybe you want her, maybe you need her  
Maybe you started to compare to someone not there

Looking for the right one you line up the world to find  
Where no questions cross your mind  
But she won't keep on waiting for you without a doubt  
Much longer for you to sort it out

And all at once the crowd begins to sing  
Sometimes the hardest thing and the right thing are the same

Maybe you want her, maybe you need her  
Maybe you started to compare to someone not there  
Maybe you want it, maybe you need it  
Maybe it's all you're running from  
Perfection will not come

And all at once the crowd begins to sing  
Sometimes  
We'd never know what's wrong without the pain  
Sometimes the hardest thing and the right thing are the same

Maybe you want her, maybe you need her  
Maybe you've started to compare to someone not there  
Maybe you want it, maybe you need it  
Maybe it's all you're running from  
Perfection will not come

Maybe you want her, maybe you need her  
Maybe you had her, maybe you lost her to another  
To another
