

# Not Now

## The Fray

Call me up  
Tell me all the things you wanted me to say  
Write 'em down  
In a letter send it to me in the bottle that we saved

I don't wanna give up just yet  
I don't wanna start to forget  
Tell me you remember you said  
Don't let, don't let

Don't let me down  
Don't let me down  
Don't let me down  
Don't let me down  
Not now

Don't let me down  
Don't let me down  
Don't let me down  
Don't let me down  
Not now

All at once  
I'm face to face with what I dragged in by mistake  
We can't outrun, who I was  
But I can promise that I'm trying hard to change  
Cause I'm about to break  
But don't let, don't let

Don't let me down  
Don't let me down  
Don't let me down  
Don't let me down  
Not now

Don't let me down  
Don't let me down  
Don't let me down  
Don't let me down  
Not now

I don't wanna give up just yet  
I don't wanna start to forget  
Tell me you remember you said  
Don't let, don't let

Don't let me down  
Don't let me down  
Don't let me down  
Don't let me down  
Not now
