

She Is

The Fray

Do not get me wrong
I cannot wait for you to come home
For now you're not here and I'm not there
It's like we're on our own
To figure it out, consider
How to find a place to stand
Instead of walking away
And instead of nowhere to land

This is going to break me clean in two
This is going to bring me close to you

She is everything I need
that I never knew I wanted
She is everything I want
that I never knew I needed
(2x)

It's all up in the air
And we stand still
To see what comes down
I don't know where it is
I don't know when
But I want you around
When it falls into place with you and I
We go from if to when
Your side and mine
Are both behind it's indication

This is going to bring me clarity
This'll take the heart right out of me

She is everything I need
that I never knew I wanted
She is everything I want
that I never knew I needed
(2x)

This is going to bring me to my knees
I just want to hold you close to me

She is everything I need
that I never knew I wanted
She is everything I want
that I never knew I needed
(2x)

She is everything I needed
She is everything
