Singing Low

The Fray

Words are fallin' on our skin
Like water torture, you get in my head
You call me this and I call you that
There's too much talkin'. (mmm)

So please don't speak, my heart is havin' trouble
With the beat, beat, beat, so try to take it slow.
We can't speak, I want it, I'm just tryin' to find the beat, beat, be at.
My heart is singing low.

We can lay together,
We're closer than we've ever been.
Stay right here forever
And break each other off again.

Where we're going, that promise land,
We made that promise, you give me your hand,
And all their talkin', it pulled us in.
Say you'll never leave, can we promise that?

Please don't speak, my heart is havin' trouble
With the beat, beat, beat, so try to take it slow.
We can't speak, I'm tryin', I just wanna find the beat, beat, beat.
My heart is singing low

We can lay together,
We're closer than we've ever been.
Stay right here forever
And break each other off again.

Woah-oh-oh-oh
Can we lay, can we lay, can we lay, can we lay?
Woah-oh-oh-oh

We can lay together,
We're closer than we've ever been
Stay right here forever,
We'll find a way to love again.
Let's find a way to love again,
Can we find a way to love?

We can lay together,
We're closer than we've ever been.
Stay right here forever
And break each other off again.

Woah-oh-oh-oh

Woah-oh-oh-oh
