The Frights

C'mon baby won't you let me be
C'mon baby won't you let me see that it's you and me
I feel alright
But it's this bad, bad love

C'mon baby won't you let me be
C'mon baby won't you let me see that it's you
I don't know well it's something like this
But it's this bad, bad love

C'mon baby won't you let me be
C'mon baby won't you let me see that it's you and me
I feel alright
But it's this bad, bad love

Come to the mirror left, look through the mirror right
Tell me what do you see
Do you see what she likes?
Don't tread, don't tread on me
C'mon baby won't you let me be
