

Bear

The Frogs

everyone loves the girl, i hear that
everyone loves the girl
everyone loves the girl, i hear that
everyone loves the girl
i do too
"and if you're cool, and if you're cold
i'm a bear" she said
"come to my heart, come in my lair
i'm a bear" she said
does it matter what she wears? not really
matter what she wears?
if she wants to be a bear, it's ok
everyone loves the girl
everyone has a heartbeat, baby
everyone has a heart
you can throw me to the sharks, i've been there
everyone has a heart
nobody wants to leave you, baby
nobody wants to leave
when you throw your arms around them, baby
everyone loves the girl
i do, i do too
