

## Better Than God

The Frogs

i scream in the winter, i laugh at you all  
the pleasure is all mine, in eden i fall  
the kingdom looks different from down below  
don't ask me to tell you, i wouldn't know  
every one of you is better than god  
every one of you is better than god  
you've got it, it's nothing, i laugh at you all  
and so it continues, i hope you're havin' a ball
