

Billy

The Frogs

there's guns across the river aimin' at ya
lawman on your trail he'd like to catch ya
bounty hunters too they'd like t' get ya
billy they don't like you t' be so free
camp' out all night on the berenda
dealin' cards 'til dawn in the hacienda
up to boot hill they'd like t' send ya
billy don't y' turn your back on me
playin' around with some sweet senorita
into her dark hallway she will lead ya
in the shadows of the mesa she will greet ya
billy you're so far away from home
