

## Pay

The Frogs

f\*\*king bitch gonna pay  
gonna wrangle her ass in may  
got all the records that pavement made  
and i smashed them all today  
my pubic hairs are crazy  
givin' me a rash in hell  
i didn't tell you  
i smashed my Wesley Willis records as well  
give up your pussy again  
rock all night  
bitch is gonna pay i'll tell ya motherf\*\*ker  
in the motherf\*\*king morning light  
i never had any Sebadoh records  
but if i had them i'd smash them too  
you, of course, i always loved Sonic Youth, blow me  
rock, rock, rock, hey rock  
f\*\*king bitch gonna pay  
gonna wrangle her ass in may  
got all the records that Pavement made  
and i smashed them all today  
give up your pussy again  
rock all night  
bitch is gonna pay i'll tell ya motherf\*\*ker  
in the motherf\*\*king morning light
