

Stargirl

The Frogs

the sky don't need you anymore, and neither do i
stargirl you must go
you used to joke about the dark, but now you've fallen
too
stargirl the sun is out and
stargirl you won't be seen
stargirl a dream's a dream and
stargirl you've had your dream
i used to clap when you would shine, but now that i am
bored
stargirl you must go
