Funny You Should Ask

The Front Bottoms

The good thing about this cast is I can still hold a
knife
So if you ever twist my arm again I'll be sure to put
up a fight
You see I just don't wanna do the things that you want
me to do
But I'm a sucker, so I do them cause I am still in love
with you

She said
"Honey, y'gotta learn that love is simple just like
mud.
If you play the dirt, then I'll play the water. All we
gotta do is touch"

Cause I was young, I thought I didn't have to care
about anything
But I'm older now and know that I should
Cause I was young, I thought I didn't have to care
about anything
But I'm older now and know that I should

And it's freezing
And I am watching you shovel snow off a driveway across
from my parent's home
Now it's summer (now it's summer)
And you are laying out on your lawn
You look so sexy, Chelsea, with your polka dot bikini
on

Come on, Chelsea, speak a little French to me
Heard you spent two whole semesters drinking wine
While I was stuck in Jersey trying to save some money
I guess I'm just another thing you left behind

But you were young, you thought you didn't have to care
about anyone
But you're older now and wish that you could
Cause you were young, you thought you didn't have to
care about anyone
But you're older now and know that you should

It's funny you should ask
Cause I don't remember
It's funny you should ask
I coulda been a contender

1,2,3! Everyone say cheese!
Thought you got the best of me
Turns out it was a video
Me and my best friend, me and my cousins
Sitting there smiling
Turns out it was a video

Cause I was young, I thought I didn't have to care
about anything
But I'm older now and know that I should

Cause I was young, I thought I didn't have to care
about anything
But I'm older now and know that I should

It's funny you should ask
Cause I don't remember
It's funny you should ask
I coulda been a contender
It's funny you should ask
No I will not surrender
It's funny you should ask
Cause I don't remember

Cause I was young, I thought I didn't have to care
about anything
But I'm older now and know that I should

It's funny you should ask
Cause I don't remember
