

Venetian Blinds

The Frozen Autumn

Don't try to fight the feelings inside
Our hands again are intertwined
We hide behind Venetian blinds
Embrace or filigree of lies
Our hands again are intertwined
Dim lights behind Venetian blinds

I... I am so sorry to deny my love for you
Inside I die
I... I am so sorry to deny my love for you
Inside I die
I am so sorry to deny my love for you
Inside I die Inside I die

Forget to fight the feelings inside
Our hands again are intertwined
Forget the words, just hold me tight
Just hold me tight, don't say a word
Just hold me tight, don't say a word...
Our hands again are intertwined

Just out of reach and out of sight
Our hands again are intertwined
We hide... Behind Venetian blinds
Don't say a word just hold me tight
Our hands again are intertwined
We hide behind Venetian blinds

I... I am so sorry to deny my love for you
Inside I inside
I... I am so sorry to deny my love for you
Inside, Inside
I am so sorry to deny my love for you Inside I die
Inside I die

Forget to fight the feelings inside
Our hands again are intertwined
Forget the words, just hold me tight
So enter now, don't say a word!
Just hold me tight, don't say a word!!!...
Just hold me tight... Just hold me tight...
Our hands again are intertwined... Are intertwined...
