

# Stupid

The Frustrators

1, 2, 3, testing please  
It's broken again  
It's broken again

1, 2, 3, testing me  
I'm broken again  
I'm broken again

I don't really know what's wrong  
I don't wanna sing this song

1, 2, 3, testing me  
I'm broken again  
I'm choking again

Cause I feel stupid  
I don't know  
I feel stupid  
Way to go  
I feel stupid  
Again

1, 2, 3, you're testing me  
I'm broken again  
I'm choking again

Am I running out of time  
Searching for a stupid rhyme

1, 2, 3, you're testing me  
I spoken again  
I'm choking again

Cause I feel stupid  
I don't know  
I feel stupid  
Way to go  
I feel stupid  
Again

I feel stupid  
I don't know  
I feel stupid  
I don't know  
I feel stupid  
Again

I feel stupid  
I don't know  
I feel stupid  
I don't know  
I feel stupid  
Again
