

# Acapella

The Futureheads

I was walking, was living  
My melody was acapella  
There's a beat I was missing  
No tune, or a scale, I could play

The sound in the distance  
No orchestra playing together  
Like a boat out to sea,  
The silence was too deafening

Come and revive me  
I can't feel my heartbeat  
Just me surviving alone

Before you,  
My whole life was acapella  
Now a symphony's  
The only song to sing  
Before you,  
My whole life was acapella  
Now a symphony's  
The only song to sing

Everything was the same  
One color was just like the others  
An assembly routine  
My memories were all black and white  
Till I stopped over-thinking  
Decided to draw back the curtains  
And I cleared all the cobwebs  
And began to let in the light

Come and revive me  
I can't feel my heartbeat  
Just me surviving alone

Before you,  
My whole life was acapella  
Now a symphony's  
The only song to sing  
Before you,  
My whole life was acapella  
Now a symphony's  
The only song to sing  
Now a symphony's  
The only song to sing  
Now a symphony's  
The only song to sing
