

Piece of Crap

The Futureheads

It was a piece of crap, piece of crap

There was a man on the corner
And he was reading from the Bible
(What did he say, Ross?)
He said I don't like you, says so in here
And I said, what?
That's just a piece of crap, piece of crap

I met the man and I talked to him
I took him back to my flat, my flat
He looked at me and he said
What's the matter?
What's the matter?
I said, I can't stop, can't stop
I said, I can't stop, can't stop
I said, I can't stop
And he said, what?
That's just a piece of crap, piece of crap

You talk and you talk and you talk
You
You talk a piece of crap, piece of crap

It was a piece of crap, piece of crap
