

Tell Yourself

The Gadjits

What do you tell yourself at night
To make you feel better?
So you know your not a sellout
And you know your not a quitter.
What kind of stories do you tell yourself
To make it feel alright?
What do you tell yourself, tell yourself
At night?
Well you say hey me.
I know its been a bad day
And my girlfriend ran off with my credit cards
And had a hay day.
Well you say hey me
I know that its not payday
But if I don't spend some money soon
I surely will go hungry.
Well you say hey me .
Am I a motivation?
Am I such a shining star?
Am I such an inspiration?
Well you say hey me.
Am I a motivation?
Am I such a shining star?
Am I such an inspiration?
What do you tell yourself at night
To make you feel better?
So you know your not a sellout
And you know your not a quitter.
What kind of stories do you tell yourself
To make it feel alright?
What do you tell yourself, tell yourself
At night?
