

## 2 Of Americaz Most Wanted

The Game

Ain't nothin' but a gangsta party when I'm spittin' to Pac  
The paint fall off your Miss King when I'm spittin' the Glock  
Before I was sixteen I was liftin' a drop  
Spittin' on cops, pitchin' the rock  
Like Charlie Ward before the New York Knicks  
Now you can catch me in Brooklyn with Fab on a New York bitch  
While you old niggas in rehab  
And if I can't be a hip hop legend I'll just die in a ski mask

When a gangsta like me ride it be suede in it, be shade tinted  
Tires got the rims that Spree made in it  
One of the prettiest hoes be laid in it  
Blowin' the kid faster than prepaid minutes  
I'm guessin' these haters don't know I keep the Wes in the ator  
s  
Fully loaded with the vest penetrators  
But if they want it, y'all can get it  
You love the way the coaster coast chiefs did it
