

Shawty say she wanna love me, she won't leave me alone  
She say she wanna tangle no iPhone  
She wanna get me face time, no iPhone  
She gotta black berry BBM I'm on  
Spinnin' bottles of patron what I do for fun  
Take her back to the crib have a two on one  
And after she get bent, bend her over like a shot gun  
Tank on E so you know I'm about to pop one  
Looking 3D, ass so fly see it from the front had to walk around the back  
Told whatever she want, she know got that  
She know I'm a big boy so I gave her 3 stacks  
Told her there's a lot more Grey Goose where that came from  
You drinking 'em bottles up, I tell her to back it up  
Then she pull out a blunt where that came from  
Now shawty gonna light it up, wanna come fly with us

Shawty I wanna drink, I just wanna cut  
If you see a freak tell her I just in the cut  
Bottles upside down and I'm feeling turned up, body looking 3D  
Would she back it up, back it up like this  
Up like that, up like this, up like that  
Fuck it up like this, up like that  
Shawty looking 3D would she back it up

Shawty says she love the way we talk in the south  
You can do it too, put it in your mouth  
On the V.I.P. couch, snow in the face, throwing green we suck no waste  
She says she love how it taste point blank range, shoot it in her face  
She think I'm running game but Game already ran in a marathon  
Heard the pussy bomb Hiroshima  
Aquafina wet, better splash ass like the Avatar  
Big tall blue bitch, 3D camera  
And I'mma Thor on the blue whore  
Pull out the MC Hammer bitch and beat it on the floor

Shawty I wanna drink, I just wanna cut  
If you see a freak tell her I just in the cut  
Bottles upside down and I'm feeling turned up, body looking 3D  
Would she back it up, back it up like this  
Up like that, up like this, up like that  
Fuck it up like this, up like that  
Shawty looking 3D would she back it up

All these extra spare bottles in the club you can tell me I'm (cakin', cakin'  
)  
Me and David Banner in the club got the speakers on sub bitches (shakin', shakin')  
And Game I'm like damn about this brother on these hoes Pittsburgh pussy (takin', takin')  
Then I might hit it from the back like a Mac now she sayin' that it's (achin', achin')  
I'ma back it up she need a sad car now  
I'mma act it up if it make it hurricane bill  
I'mma stack it up like an 18 wheeler now  
She can back it up  
Call the waiter 'cause

Shawty I wanna drink, I just wanna cut  
If you see a freak tell her I just in the cut  
Bottles upside down and I'm feeling turned up, body looking 3D  
Would she back it up, back it up like this  
Up like that, up like this, up like that  
Fuck it up like this, up like that  
Shawty looking 3D would she back it up
