Diamonds

The Game

You have now been hooked on phonics productions
{Diamonds... Diamonds... Diamonds... Diamonds}

She said she wants diamonds (diamonds)
Does she really need diamonds (diamonds)
Then she tease her diamonds (diamonds)
So I blind her with my diamonds
She knows I'm all about diamonds...

K-Young check it out... Look
She my princess cut, met her at Jacobs with a NBA nigga like what's up
Shawn Marion walked to the back left her in the cut
Ed Hardy head to toe and the timberlands was plushed (plushed) So I passed h
er my Blackberry on the hush (hush)
Maybe later you can be my diamond and we can crush (crush)
And we ain't gotta crush on the first day cause when I put these hand-
cuffs on it's your birthday
He shouldn't have left you like that, in the first place
But I'm a leave you like this and we can swim in this Cris, take a bath in P
atron, get loose with the Goose, wear your? and Louis Voutton we can sit by
the?
Girl you doin that, so keep doin that, you remind of yeah
I'm losin it, word to the crucifix, she so illusive shit, you 'bout to lose
your bitch, she on a nigga dick

She said she wants diamonds (diamonds)
Does she really need diamonds (diamonds)
Then she tease her diamonds (diamonds)
So I blind her with my diamonds
She knows I'm all about diamonds...

She my diamond girl, she like to throw up the rock, but if it ain't about Si
egal then that shit gonna stop
She got her Jay'z mixed up, one of us went Pop, one ride 26's, other one rid
e stocks
One of us hugged B, the other one hug the block, they both love BIG but one
of 'em fucked with 'Pac
They both touched the mill, seen stallions on the real, I let you decide wha
t's real and not real
You a knock out, I put your wrist on chill, she know I keep an end raised li
ke Evander Holyfield
So, we can box it out, I pull that Boxter out and tell Mr. Chow to bring the
 lobsters out
She a vegetarian, she went the pasta route, she like carrots on the side so
I rocked her out
He want his ring back, now they have a standoff she stealin diamonds girl, s
o I got to cut your hand off

She said she wants diamonds (diamonds)
Does she really need diamonds (diamonds)
Then she tease her diamonds (diamonds)
So I blind her with my diamonds
She knows I'm all about diamonds...

Just like a VVS, your shines all the time and I'm so impressed (yeah)
We can have expensive sex, take the diamonds out the bag drop on your chest
(So flawless)

So I'mma give you the best, put them princess cuts on that B dub S (Oh-oh-oh)
Get your shine on, like Vegas city lights [?] cut you through this ice and put them baguettes in your life

She said she wants diamonds (diamonds)
Does she really need diamonds (diamonds)
Then she tease her diamonds (diamonds)
So I blind her with my diamonds
She knows I'm all about diamonds...
