Death before dishonor Ride with weap' up, cause niggaz tryin to dent my armor Cold streets, Telly Mac keep the guns on 'em They wanna know how that nigga from California could run up on ya on any corner Put somethin on ya How I stuff bricks in the 6, with no crack aroma Dawg, I'm just livin for the moment I'm from Compton homey, but I'm like a center for Milwaukee Cause I play for the Bucks, and I keep the 40 on me Gotta keep the chrome-y, gotta keep my back to the wall Wait for Q to rock me up, like cavi dawg Speakin of lle', I put 8 in, 10 jump back hard And watch my money come back, like Jordan in charge I'm like the black Yankees, they don't want me around no more Cause I hold the record for the most fiends roamin the boulevard And when I'm on the boulevard, catch me behind the wheel of that new Escalade with the Foreman grill

Steppin out of Chevies with heat that's heavy - that's president Bullets flyin for them dead guys - that's president Led meltin inside your wig - that's president 20's 50's and 100's burnin - it's all president

Aiyyo I do this shit from Compton to the Mac block High-tech collaborations with the Gamblaz and Blacksox Drillin 'em killin 'em if we ain't feelin 'em nigga If Sticky Fingaz need some music straight stealin it nigga Shinin, in big trucks, big will in it nigga we climbin To the top and we sealin it nigga So back the fuck up, my niggaz act the fuck up So keep yourself in line or you could get smacked the fuck up Jacked the fuck up, beat up bad and clapped the fuck up Wrapped up in white sheets and threw in a white truck Over presidents, now you willin to give your life up? Put your kids on the line, and give your wife up? Over presidents, they got you soulless So take this bomb and hold this, while we control this For the streets, we comin with heat that's stolen And we hustle universal, for that paper that we foldin Roll in 600's, Beemers and 'llacs We a team of cats, with the pens and gats That fiend for jacks, but only when the green's attached We fiend for jacks, but only when the green's attached

It's Telly and young Game the hustler, ho juggler, coke smuggler No matter what the hustle, dough doublin
Lle or the rock, give me a day and a spot
And I bet I'll come back with 10K in the drop

I'll stay in the spot, wearin a crop and coppin ounces Telly Mac and Game the hustler, we rock the house And plus we the reason that the blocks is out So my words to the wise is just watch your mouth

And you don't want it when the stainless out, what the game about The bullets is in, your brains is out

All over Frisco and Compton dawg, we ruthless And the truth is y'all niggaz can't stop us dawg

So why the fuck you wanna knock us off
Like we some high-powered cowards and y'all really the niggaz that's soft
Still across the train tracks, we turn 'caine crack
It's Telly Mac and Game the hustler, you can't change that
