Help Me - Interlude

The Game

Say it ain't so
Oh, say it ain't so
I've been hustling all this time for a better tomorrow in vain
Know that I, I never meant to cause you any sorrow
I meant to cause you any pain
(Never meant to cause you)

Oh, I, I blame it all on me
Lord knows that I could've been there
(Could've been there)
When you needed me but I'm here now
(Fought the whole world)
Fighting back the tears, I can't believe I gotta say goodbye
It's too soon to cry for you
Forgive me momma that I, I'm fighting back the tears
I can't believe my little brother died
Way too soon, cry for you

No, hell no
I'm thinking 'bout setting it off
(Thinking 'bout setting it off)
Thinking 'bout killing them all
(Thinking 'bout killing them all)
They say retaliation is mandatory

Lord help me
(Lord help me to walk away)
Lord help me
(Lord help me to walk away)
Lord help me
(Lord help me to walk away)
And that your will be done
