

# Maybe In Another Life

The Game

I can only try so hard, girl  
Remember '95 like our love feel right, girl  
And maybe it just wasn't the right time  
Maybe in another lifetime

I'm sitting in my Ghost, I don't know what to do  
But what I know is I'm at my best when I fuck with you  
I always thought we'd kinda end up just like the Huxtables  
Thought our love was like Swizz and Alicia, untoouchable  
Thought we always had that Jay and B potential  
And ever since we've been apart everything is instrumental  
And I can't even hear the words to my favorite song, I'm so numb inside  
Bitch you telling me "boy, I'm ovulating, so just come inside"  
I'm kinda torn between what I want and what I know  
That's why sometimes after the kids fall asleep I get up and go  
Used to chase me down the hallway, acting like you on Broadway  
Hop in your Benz, tailing my Range, trying to jump out where that broad stay  
And that was crazy but at least I know you care  
That was then, this is now, how the fuck did we end up here?  
Now we care about our Instagram posts more than each other  
Posting subliminal shit like we ain't never met each other, that's crazy

So we go,  
I can only try so hard, girl  
Remember '95 like our love feel right, girl  
And maybe it just wasn't the right time  
Maybe in another lifetime

We spent the last 24 months arguing over these broads  
That we forgot about the show and then Cali became a star  
And maybe that was a blessing  
'Cause she could grow up to be Reyna Simone at our discretion  
I be right there for protection  
'Cause these days my kids the only place to get affection  
Could be wrong, you a school teacher, maybe I just need correction  
You used to be the one to point a nigga in the right direction  
Now we both inside Greystone sitting in different sections  
Pretending we having fun but what I really want to do  
Is get you to that SLS and fuck you till you see the sun  
And maybe I wouldn't feel so bad every time I see my son  
And he ask am I coming home and I tell him to go ask his mom  
And shit get real hard 'cause I can't live without my daughter  
You can't just be Beyoncé and try to ride for Sean Carter  
You know I love my kids and can't no nigga replace their father  
This could be a love story, view the offer right

So we go,  
I can only try so hard, girl  
Remember '95 like our love feel right, girl  
And maybe it just wasn't the right time  
Maybe in another lifetime
