

Same Hoes

The Game

In the club wit yo main thang
Every week it's the same game
Call that bitch a cool hop
Got me feelin like 2 Pac
I see the same hoes oh oh
I see the same hoes yea yea
I see the same hoes oh oh
I see the same hoes yea yea

Never fall in love with a bitch
Never fall in love with a bitch
Never fall in love with a bitch
Let her fall in love with the dick
I came through, 50 Bentleys
Got my witness, got her digits, while I'm whippin
Lames on the side, nigga name on the thigh
Be the same whack bitch with them flowers on the side
I told her bye bitch, bye bitch
You can never fuck with my bitch
She rock Tom Ford
And I see you in them busted ass concords
Tryna smoke my weed like a motherfuckin lawnmower
Everywhere I go, every video I see
One minute she with Drake, next minute she with me
Heard she fucked with Kendrick and my nigga YG
Heard she had two abortions last week
She a ratchet, get it crackin every time she on her feet
That bitch mouth a magnet to the motherfuckin D
Word the D

Yall, word to the motherfuckin D
Especially when (Mustard on the beat, ho)

In the club wit yo main thang
Every week it's the same game
Call that bitch a cool hop
Got me feelin like 2 Pac
I see the same hoes oh oh
I see the same hoes yea yea
I see the same hoes oh oh
I see the same hoes yea yea
