

West Side

The Game

Step off the porch, rag hangin', West Side, that's what we bang in'

Crucifix swingin' off my t-shirt, twistin' my fingers

Impala Off-White, ski mask all black

ADIDAS tracksuit, drawstrings, Chokin' the MAC

Got a couple bullets in it, gangstas slide in the rented

Dumpin' out the window, fuck the world and everything in it

I'm a West Side nigga, ego trippin' and walkin' fast

Listenin' so we talkin' in codes to keep 'em off us

Dre gon' tote it, thirty-six shots

Don Julio got me loaded, don't think I'm not

Go mob on niggas, mob figures, mob triggers

Don't get your punk ass killed on Instagram Live, nigga

My niggas rob niggas, bury you alive

Let the bullets live inside niggas, ain't nowhere to hide

It's survival of the fittest, boy, you fuckin' with the realest

Glock nine, blue steel, holster wrap the chinchilla

West Side, West Side (West Side, West Side)

West Side, West Side (West Side, West Side)

West Side, West Side (West Side, West Side)

West Side, West Side (West Side, West Side)

Ain't no S on my chest, just the West on my back

Born in trenches with the crack, swallow dope, shit the sack

If you frontin' it, come back, if I front, you bring it back

Turn a bird to a Benz, park a Benz by the trap

Let 'em raid, we gon' flush, if you snitchin', you get touched

Tell my mama I'm on the run, not givin' a fuck

Who want what? I put a team together, smash out

Set you up, send a bitch over with her ass out

In California, we got them pictures niggas map out

In California, we turn a mansion to a stash house

I fuck around and leave a dub and they O.D. tonight

You in good hands, you know the Bloods gon' treat you right

Ain't tryna be your man, no, I don't trust 'em, I just beat it right

Gotta put her in a Uber just so I could sleep at night

Never stop bangin', nigga, you know it's still Cedar, right?

After this album, nigga, I gotta raise the feature price

West Side, West Side (West Side, West Side)

West Side, West Side (West Side, West Side)

West Side, West Side (West Side, West Side)

West Side, West Side (West Side, West Side)
