

# Desire

The Gap Band

You ought to do something to make a living  
'Cause I have desire, desire...

Desire!  
Desire!  
Desire!  
Desire!

You give me that desire  
Work hard all night long  
You give me that desire  
Keep me goin' strong

I don't mind workin'  
Seven days a week  
When I come home to you  
I know you're gonna treat me sweet

Desire keeps me goin' strong  
Desire keeps me burnin' like a red hot fire

I really don't mind, girl  
I don't mind workin' hard  
When I come home, girl  
I know I'll get my reward

Desire keeps me goin' strong  
Desire keeps me burnin' like a red hot fire

Desire

You're my inspiration  
Will you keep me, please?  
Never run from love, babe  
Give me all I need

I remember what you told me  
The sweet words in my ear  
Each time you love me  
I know what I wanna hear

Desire keeps me goin' strong  
Desire keeps me burnin' like a red hot fire

Desire  
Desire

Do-do-do-do-do-do, desire  
Do-do-do-do-do-do, desire

Desire keeps me goin' strong  
Desire keeps me burnin' like a red hot fire

Desire, desire

Desire keeps me goin' strong  
Desire keeps me burnin' like a red hot fire

Desire keeps me goin' strong  
Desire keeps me burnin' like a red hot fire
