

# Don't Take It Away

The Gap Band

Don't you take it, don't take it away  
Don't you take it, don't take it away  
Baby, don't you take your love

You decided that walking away  
Was a thing for us to do  
I don't know where to go, it's hard to say  
Why don't you stay and see me through  
How I need you here by my side  
Why don't we both take a ride  
'Cause life with me could be so wonderful  
Baby, we could have it all  
Don't you take it, baby

Don't you take it, yeah, don't take it away  
Baby, we could have it all, don't you take it  
Don't you take it, oh-oh, don't take it away  
Baby, don't you take your love

Don't you take it, take it away  
'Cause I've got a whole lot to say  
Don't you know that I've been good to you  
Why don't you stay and see me through  
Don't you know I need you here by my side  
Why don't we both take a ride  
'Cause life with me could be so wonderful  
Baby, we could have it all  
Don't you take it, baby

Don't you take it, ooh-ooh, don't take it away  
Baby, we could have it all, don't you take it  
Don't you take it, ooh-ooh, don't take it away  
Baby, don't you take your love, yeah, yeah

Don't you take it, take it away  
'Cause you know I've got a whole lot to say  
'Cause life with me could be so wonderful  
Baby, we could have it all  
Don't you take it, baby

Don't you take it, ooh-ooh, don't take it away  
Yeah, don't you take it away  
Don't you take it, ooh-ooh, don't take it away  
Yeah, whoa...  
(Baby, don't take)

Take it, baby, ooh-ooh...  
Said, I'm a lover, not a fighter  
My love, you take me higher  
Said I need you, baby

(Don't take it, don't take it away)  
Did you hear me, baby, did you hear me, baby  
Did you hear my, baby, did you hear me  
Let me say it one more time  
Said, I'm a lover, not a fighter  
Your love would take me higher

Said I need you, baby

(Don't you take it, take it away)

Said I need you, I need you

I need you by my side, baby girl...
