

# Got To Get Away

The Gap Band

Show me the way to the future  
'Cause I am tired of the past  
Some of us are just used to existing  
We all know it can last  
You better make up your mind now  
Don't take too long hard and strong  
Let's pull together and somehow  
We can make it, we can make it on home

Gotta get away from here, oh, girl  
Got to get away from here  
Gotta get away from here, oh, girl  
Got to get away

Come on and join my procession  
Reach out and touch my hand  
Walkin' in the right direction, whoa, yeah  
Headin' for the promised land  
Maybe we can be together  
Walkin' 'round and havin' so much fun, oh, yeah  
That's why it really doesn't matter  
Being as one with the sun

Gotta get away from here, oh, girl  
Got to get away from here  
Gotta get away from here, oh, girl  
Got to get away from

Maybe we can be together  
Walkin' 'round and havin' so much fun, oh, yeah  
That's why it really doesn't matter  
Being as one with the sun

Gotta get away from here, oh, girl  
Got to get away from here  
Gotta get away from here, oh, girl  
Got to get away from here

Gotta get away from here, oh, girl  
Got to get away from here  
Gotta get away from here, oh, girl  
Got to get away from here

Gotta get away from here, oh, girl  
Got to get away from here  
Gotta get away from here, oh, girl  
Got to get away from here

Gotta get away from here, oh, girl  
(Okay, I'm through now)  
Got to get away from here
